Subject: NCP Requirement for Dimock-Community Involvement Plan

We have an NCP requirement to put together a CIP for removal actions extending beyond 120 days so I began to wonder if that applied to Dimock. Ex. 5 - Attorney Client
Ex. 5 - Attorney Client it does. The clock started from the date that the Action Memo was signed (January 19th). That means we have until May 19th to meet the requirement.

Ex. 5 - Deliberative

Please let me know if you have questions and I'm available to discuss any concerns at your convenience. Thanks.
